eDEPOSITION (844) 533-DEPO

1 hired him to test-drive a motorcycle. So
2 obviously knowing the Maloufs from growing
3 up made we question even more. I said,
4 "Well, how did he find out that you rode
5 motorcycles"? And he said that Mike Cox had
6 given him his name. Mike Cox is also in the
7 car business.

8 So he just mentioned that he rode
9 the motorcycle. If I'm not mistaken, he
10 told me he rode it for Mike Malouf over on
11 Sowell Road, that somebody had wrecked a
12 motorcycle and that he test-drove it to see
13 if there was anything wrong with it.

14 Q. And what did he say about the result
15 of the test riding?

16 A. He said there was nothing wrong with
17 the bike. He didn't think there was
18 anything wrong with the bike.

19 Q. Did he say something, words to the
20 effect that he told Mr. Malouf that "whoever
21 wrecked the bike obviously did not know how
22 to ride because there was nothing wrong with
23 the motorcycle"?

24 A. Yes. I believe that's exactly what
25 he said to me.
